Fe road, and was laid out by the American Settlement Company.

that ten days previous there was not ten of the Company for allowing a story of that character to go before the country without denial; then stated several rumors which were current with the pubelicit the truth.

the kindliest feelings towards him.

sume more space than we can spare with outset in his article. a recital of the case. In our issue of The Herald of Freedom is Sept. 22d, we published an article from "special advocate of the New England Dwight, which we copy as follows :-

COUNCIL CITY, Sept. 28, 1855. ED. HERALD OF FREEDOM. -SIR:-My attention having been called to the severe strictures on the "American Settiement Company" appearing editorially avail myself of your proffered privilege

to reply.

It is to be regretted that those professing, in the present momentous crisis, to have an eye single to the freedom of Kansas, should so often be found arrayed in

to fifty thousand emigrants into the wildernes of Kansas before accommodations could be provided for a single thousand. which should render that town a most desirable residence. It was hoped that the back again, we believe; and for aught we know are continuing to move it, so that it is difficult for persons in the aim of the projectors should be realized, with this view, before any public notice was sought, a committee was sent out to escure a suitable site. The one selected was such as has never subjected that committee to censure, and there the Company informatis in regard to this, and shall leave it with the officers of the Company and content of the site were to be raised by the sale of ahares at five dollars each, the share-holders to be entitled to a town lot for each share owned. These funds were to be used in the legitimate transaction of the Company's business; and so long as this disposition is aimed to be made if the money is received; the make for the projectors would make such the share would for the projectors will be reported as the desired and the such as the content of the company in the following in the company as it has been managed, as a grain. As a whole, I declare the article false, and a withing a simposters and sharpers, and without being misrepresented, aspersed and villified as imposters and sharpers, and without being misrepresented, aspersed and villified as imposters and sharpers, and withing the simposters and sharpers, and withing the simpost of the such as the such as the sharper whose circulation we have proposed to a town to for the stream of the st

5. The site was removed last fall a short distance from the first selection, by and each shareholder was required to pay one-half in hand. Two thousand the content of the parties residing there are the company as well as the President would not have so asserted. The lots have been sold at \$5 a piece, and each shareholder was removed last fall a short distance from the first selection, by and each shareholder was removed last fall a short distance from the first selection, by and each shareholder was removed last fall a short distance from the first selection, by and each shareholder was removed last fall a short distance from the first selection, by and each shareholder was removed last fall a short distance from the first selection, by and each shareholder was removed last fall a mation.

To The legal voters of Kansas:—
Whereas, The Territorial Government as now constituted for Kansas has proved a failure—Squatter sovereignty under its workings a miserable delusion, in proof of which it is only necessary to refer to our past history, and our present deploses a Mr. been taken posession of by bands of persons at in its strong letter of constituted with our wants, and hostile are under the convention our bast interests—some of them never the convention of the relations of the true principles of bealth and longeville by Balbirnie. 20 cents. By Balbirnie. acquainted with our wants, and hostile to our best interests—some of them never residents of our Territory—misnamed laws passed, and now attempted to be enforced by the aid of citizens of foreign States of the most oppressive, tyranical and insulting character—the right of suffrage taken from us—debar-ritory, and to any other day they may

QUALIFICATION OF VOTERS, &c. All white male inhabitants, citizens of

ple of Kansas are fully alive to the importance of the step they are about to take, in disenthralling themselves from the slavery which is now fettering them; and the Squatters of Kansas are earnestly requested to be at their several polls on the day above designated. See that there be no illegal votes cast, and that every ballot received be in accordance with ery ballot received be in accordance with your choice for Delegate to the Consti-

securing to our people the liberty they have heretofore enjoyed, and which has been so ruthlessly wrested from them by reckless invaders.

Adgertisement.
